American Airlines Announces Nonstop Service to Miami, Florida

OKLAHOMA CITY, May 9, 2019 – American Airlines announced today that it will begin nonstop service from Oklahoma City to Miami International Airport (MIA) beginning December 18, 2019. Miami is an American Airlines gateway to the Caribbean and Latin America and will provide customers with convenient connections to dozens of warm-weather destinations.

Miami International becomes the seventh American hub served nonstop from Will Rogers World Airport. Other cities served nonstop by American from WRWA include: Dallas/Ft. Worth, Chicago, Charlotte, Los Angeles, Philadelphia, Phoenix, and Ronald Reagan Washington National. The new service will bring the average number of daily departures by American to 25.

The new Miami service will operate once daily utilizing the Embraer 175 (E-175) aircraft.

The current schedule is as follows*:

Oklahoma City to Miami

Departs	Arrives
5:22am	9:22am

Miami to Oklahoma City

Departs	Arrives
9:42pm	12:22am

Flights go on sale May 13, 2019 and may be booked through aa.com.

*Note exact times may vary slightly

###

Will Rogers World Airport is the city's commercial airport and accommodates over 4.2 million travelers each year. The airport serves 28 nonstop airports with an average of 72 daily departures. Will Rogers World Airport is owned by the City of Oklahoma City. The Oklahoma City Airport Trust oversees the management and operation of the airport.
