## **ONLY THREE DAYS REMAIN FOR MOBILE PRECHECK APPLICATION CENTER AT WRWA TERMINAL**

OKLAHOMA CITY, January 19, 2016 – Oklahoma residents have three (3) more days to take advantage of the convenient WRWA lobby location to apply for the Transportation Security Administration’s [TSA Pre✓®](#) program. The airport is hosting the mobile enrollment center to facilitate participation in the agency’s popular expedited screening program.

The enrollment center is located pre-security in the middle of the ticket lobby between the American and Southwest ticket counters, and will not require the applicant to be a ticketed passenger. *The center is open through this Friday, January 22 from 8:00am to 5:00pm.*

The [TSA Pre✓®](#) program allows participating flyers to experience a more efficient airport screening process by leaving on their shoes, light jackets and belts and leaving laptops and compliant liquids in carry-on bags. Over 150 airports have dedicated [TSA Pre✓®](#) lanes and 12 airlines participate in the program including all of the air carriers that serve WRWA.

The center will take walk-ups, however people are encouraged to pre-enroll online at [identogo.com/okc](http://identogo.com/okc) where they can also schedule their appointment. The application fee is \$85 and can be paid by credit card, money order, company check, or certified/cashier's check. Cash and personal checks are not accepted.

Once the enrollment is complete, successful applicants will receive a Known Traveler Number (KTN) within a few weeks. The enrollee will then enter that number when booking their airline reservations. The KTN can also be added when booking reservations online via a participating airline website, via phone call to the airline reservation center, or with the travel management company making reservations. Additionally, the KTN can be entered in participating airline frequent flyer profiles, where it will be stored for future reservations.

For those who cannot make it to the mobile enrollment center at the airport, applications can be made year-round at 1419 South Council Road in Oklahoma City.

###

Will Rogers World Airport is the city’s commercial airport and accommodates over 3.8 million travelers each year. The airport serves 22 nonstop airports with an average of 69 daily departures. Will Rogers World Airport is owned by the City of Oklahoma City. The Oklahoma City Airport Trust oversees the management and operation of the airport.
