TSA PRECHECK MOBILE APPLICATION CENTER OPENS AT WRWA TERMINAL

OKLAHOMA CITY, January 11, 2016 – Beginning today, and for the next two weeks, Oklahoma residents can apply for the Transportation Security Administration’s [TSA Pre✓®](#) program at the Will Rogers World Airport (WRWA) terminal building. The airport, in partnership with TSA, is hosting a temporary enrollment center to facilitate participation in the agency’s popular expedited screening program.

“Travelers truly appreciate the easy, streamlined screening process that TSA’s PreCheck program offers,” says Mark Kranenburg, Airports Director. “The mobile center here at the terminal is pre-security and makes it easy for people to enroll. We encourage travelers take advantage of this opportunity to participate.”

The [TSA Pre✓®](#) program allows participating flyers to experience a more efficient airport screening process by leaving on their shoes, light jackets and belts and leaving laptops and compliant liquids in carry-on bags. Over 150 airports have dedicated [TSA Pre✓®](#) lanes and 12 airlines participate in the program including Alaska Airlines, Allegiant, American Airlines, Delta Air Lines, Hawaiian Airlines, JetBlue Airways, Southwest Airlines, United Airlines, US Airways and Virgin America.

The enrollment center will be located pre-security in the middle of the ticket lobby between the American and Southwest ticket counters, and will not require the applicant to be a ticketed passenger. *The center will be open Monday, January 11 through Friday, January 22 from 8:00am to 5:00pm.* The office will be closed Saturday and Sunday. Enrollees can take advantage of the one hour of free parking in the hourly parking garage.

People are encouraged to pre-enroll online at identogo.com/okc. When applying online, applicants should type in the location “Oklahoma City, OK,” then choose “Oklahoma City, OK – Will Rogers World Airport.” When the applicant clicks “Next” at the bottom of the screen, they will be able to select a preferred appointment time. The application fee is \$85 and can be paid by credit card, money order, company check, or certified/cashier's check. Cash and personal checks are not accepted.

The center will take walk-ups, however those with scheduled appointments will take priority.

The TSA Pre✓® application process allows U.S. citizens and lawful permanent residents to enroll online at identogo.com/okc and then schedule an appointment at the temporary enrollment center to provide

fingerprints, payment and valid [identity and citizenship/immigration documentation](#).

Once the enrollment is complete, successful applicants will receive a Known Traveler Number (KTN) within a few weeks. The enrollee will then enter that number when booking their airline reservations. The KTN can also be added when booking reservations online via a participating airline website, via phone call to the airline reservation center, or with the travel management company making reservations. Additionally, the KTN can be entered in participating airline frequent flyer profiles, where it will be stored for future reservations.

###

Will Rogers World Airport is the city's commercial airport and accommodates over 3.8 million travelers each year. The airport serves 22 nonstop airports with an average of 69 daily departures. Will Rogers World Airport is owned by the City of Oklahoma City. The Oklahoma City Airport Trust oversees the management and operation of the airport.
