WRWA Celebrates the Launch of Frontier Airlines New Nonstop Flights to Denver, Orlando and San Diego Introductory Fares as Low as \$29

OKLAHOMA CITY, November 1, 2017 – Today, low-fare carrier Frontier Airlines began new nonstop service from Will Rogers World Airport to Denver, Colorado and Orlando Florida. Airline and airport representatives officially launched the service with a ribbon cutting. In addition, celebratory fares are available as low as \$29.

The new service to Denver not only provides more options to Oklahoma City's second largest market, but easy connections to Frontier's network in Denver are available. The nonstop flight to Orlando enhances service to one of Oklahoma City's favorite leisure destinations. And beginning April 9, 2018, Oklahoma City travelers will enjoy nonstop service to San Diego. Frontier will operate the new routes with the Airbus A320 family aircraft.

"We are pleased to welcome Frontier Airlines to Oklahoma City," says Mark Kranenburg, director of airports. "Known for low fares to more than 60 destinations, Frontier is a great addition to our market. I know our customers will appreciate the service and most certainly appreciate the low prices."

"Today we introduce a new, more affordable way to travel for the Oklahoma City community," Said Josh Flyr, vice president, network and revenue, Frontier Airlines "We're offering not only amazing low fares, but a reliable and friendly service that allows customers to customize their travel experience to their needs and their budget. This empowers more people than ever before to fly. This is what our Low Fares Done Right philosophy is all about."

Frontier is focused on more than low fares. The carrier offers customers the ability to customize their travel to their needs and budget. For example, customers can purchase options a la carte or in one low-priced bundle called the WORKS_{sm}. This bundle offers Frontier's most popular options for as low as \$59 each way and includes refundability, a carry-on bag, a checked bag, the best available seat, waived change fees and priority boarding.
