

OKC Will Rogers International Airport

Ground Service Agreement

WILL ROGERS INTERNATIONAL AIRPORT

Per Oklahoma City Municipal Code Chapter 10-108, “the owner or operator of a motor vehicle for hire or courtesy vehicle shall enter into a written contract or agreement with the Oklahoma City Airport Trust to conduct any motor vehicle for hire or courtesy vehicle service on Airport premises before it or its affiliated drivers are allowed to pick up passengers.”

The purpose of this Agreement is to provide annually for the Owner/Operator the privilege of operating the designated motor vehicle for hire or courtesy vehicle service to pick up and deliver Owner/Operator’s customers, baggage, packages, and similar items to and from OKC Will Rogers International Airport (“Airport”). The Owner/Operator shall have joint use, in common with others entitled to such use, the facilities, equipment, improvements, and services which have been or may hereafter be provided at or in connection with the Airport for common use by similar motor vehicle for hire or courtesy vehicle service operators. Only areas or zones as designated by the Director of Airports to load and unload motor vehicles for hire or courtesy vehicles shall be used in the manner designated for these operations.

To obtain a Ground Service Agreement with OKC Will Rogers International Airport provide the following information:
